What is an LLC?

An LLC (Limited Liability Company) is a form of legal entity that combines features of partnerships and corporations, giving its owners (called members) certain benefits of limited liability and flexibility in terms of structure and operations. The main feature of an LLC is that it offers its members limited liability protection, meaning that the owners are not personally liable for the debts and obligations of the company.

What is an EIN?

The EIN (Employer Identification Number) is a unique identification number that is assigned to a business entity so that it can be easily identified by the Internal Revenue Service (IRS). It is a requirement of many banks or institutions (such as the IRS) to conduct business in the United States.

Do I have to file taxes every month?

No! LLC partners declare their profit or loss at the end of the year.

What are the articles of incorporation?

The articles of incorporation of your company. It is registered with the state chamber of commerce. It tells us the name of the company, who the directors and shareholders are.

What is the operating agreement?

Agreement that regulates the parameters under which the company's partners operate and the role they play.

What is a bank resolution?

Document that allows a partner to represent the company to open bank accounts without the other partners present.

What is a doing business as?

It's the company's commercial name (not to be confused with the legal name, which is obtained with the formation itself), it is registered so that no one else can use or appropriate it.

What is a Registered Agent?

A registered agent is a designated person or company that receives official government documents on behalf of your LLC or corporation.

Will I have an address and bank account in the US?

Yes! When you create your company you will have a legal physical address and we can create a bank account for you with total security.

Is it legal?

Creating a Limited Liability Company (LLC) in the United States is completely legal and helps build credit history without affecting your immigration status.

What obligations will I have with the American government?

You will only have to file taxes at the end of the fiscal year. But don't worry! We have the team to do it for you.

What do I do once I have the company?

Use your dollar account! We can advise you and put you in contact with different companies or also show you ways to have a monthly investment with the stock market, E-commerce, fintech projects and other financial services.

Do I need to be American to set up my company?

No, we currently work with entrepreneurs and businesses from all over the world so it won't be a problem.

Do US taxes report to my country's taxes?

No, it is up to each person to file the declaration.

What are the characteristics of an LLC and what do they include?

- **Limitation of Liability:** Members of an LLC are generally not personally liable for the debts and obligations of the business. This means that their personal assets are protected in the event that the business faces financial difficulties or legal claims.
- **Flexibility in Structure:** LLCs offer flexibility in terms of organizational structure and management. Members can choose to manage the business themselves (single-management LLC) or appoint managers (multi-management LLC) to handle day-to-day operations.
- **Flexible Tax Treatment:** LLCs typically have flexible options as to how they are taxed. They can choose to be treated as a separate tax entity, or the LLC's income and expenses can pass directly through to the members' personal income, avoiding double taxation.
- **Easy Formation and Maintenance:** Setting up and maintaining an LLC is typically less complicated than a corporation. Reporting and recordkeeping requirements are generally less demanding.
- **Unlimited Number of Members:** Unlike some other legal forms, LLCs can have an unlimited number of members, which provides flexibility in ownership structure.

It is important to note that laws and regulations related to LLCs can vary by state. Before establishing an LLC it is advisable to speak with us to be able to show what benefits and obligations would be involved.

What type of bank account would I have?

A checking account at an American bank with the ability to receive payments and make transfers as well as a Visa debit card that you can use at any point or ATM.

Do I have to file taxes every month?

No! LLC partners declare their profit or loss at the end of the year.

Do you offer accounting and tax services?

Yes!
